

## **Stop Privatization: Defend CCSF and Laney Community College**

Whereas, the capitalist developers, \ politicians and government officials are seeking to sell off public land to developer including Billionaire John Fisher owner of the GAP, the A's team, and the KIPP charter school chain that wants Oakland Laney Community College land -- and SF Mayor Ed Lee and developers who want to privatize PUC land that should be used by City College in San Francisco, and

Whereas, the fight against privatization in education and the sale of public land to private capitalist for profits is an attack on the entire working class in the U.S., Mexico and Canada.

Therefore, be it resolved that the **Binational Conference to Cancel NAFTA, Tear Down the Wall of Shame / End All Deportations, Stop Privatizations, and Promote Labor Rights on Both Sides of the Border** opposes privatization of land for the profits of the developers at Laney College and CCSF and urges all working people and unions to organize the defense of Laney College and their union Peralta Federation of Teachers as well as CCSF and their union AFT 2121, which has opposed the sale of the Balboa Reservoir to private capitalist developers.
